Spring 2024 Updates

2024 Spring Updates

- WDF and WiSFiP LEA's financial ledger (the local "books") <u>pushed</u> to WDF must be consistent with WUFAR accounting and the DPI Chart of Accounts to avoid WISEdata Finance reporting quality issues
- WDF and WiSFiP We recommend LEAs <u>push</u>
 financial data to WISEdata Finance at least monthly,
 suggested as a task after the monthly bank
 reconciliation

State Tuition

Program Description

School districts that provide educational services to students residing in certain types of facilities are eligible to receive tuition from the state. Students reside in these facilities as a result of action by a unit of local, state or federal government. Districts may apply for reimbursement for the eligible students they enrolled in the prior year. Click the appropriate links below for more information.

Final Grant Claims

- Claims for budgeted expenditures*
 7/1/2023 through 6/30/2024
- Feds require DPI to accept claims through 9/30/2024 but it's best for you
 & your auditor to get it done sooner

* Technically "liquidated obligations" which has nearly the same meaning as expenditures; difference comes into play most often with grant-funded renovation work over the summer. Talk with your grant consultant for details.

School Fees

- Fees for the resident student or parent may be charged for individual use supplies (towels, gym clothes, band instruments, notebooks, pencils), textbooks, or similar items (workbooks) if the district claims state aid under state statute 121.14.
- Fees may be charged for social, recreational, or extracurricular summer classes and programs which are neither credited toward graduation nor eligible for state aid [s. 118.04(4)].

Audit of Summer School Fees

- Complete the fee reconciliation tab in the PI1804 workbook
- If your district is required to have a membership audit, the auditor will review your summer school FTE and the PI1804 reconciliation spreadsheet
- The auditor will question fees if:
 - the fee does not appear to be legal
 - the amount of the fee charged per course exceeds the actual cost of the course
