2. OVERVIEW OF UNCLAIMED PROPERTY

The Wisconsin Department of Revenue (DOR) is the administrator of Wisconsin's unclaimed property program. Holders of unclaimed property are required to report and remit the property to the department, who acts as the custodian for the property. The program works to reunite citizens with lost property.

A. What Is Unclaimed Property?

Unclaimed property is generally any financial asset that belongs to an individual, business, or governmental entity that hasn't had owner activity for the dormancy period applicable to the property type and the holder is unable to contact the owner.

B. Who Must Report Unclaimed Property?

Wisconsin law requires holders to review their financial records each year to determine whether they hold any property that has had no owner activity for the required dormancy period for the property type. See [Appendix 1](#) for a list of property codes and dormancy periods. Any holder of unclaimed property is required to report and remit the unclaimed property to the department. Financial institutions, utility companies, and life insurance companies, with a physical presence in Wisconsin, must file a holder report even if no unclaimed property is reported (known as a negative report).

Note: Beginning May 1, 2019, insurers are required to compare, at least semi-annually, the records of its life insurance policies, annuity contracts, or retained asset accounts with the federal social security administration's death master file ([2017 Wis. Act 192](#)).

C. Reporting and Remitting Unclaimed Property to DOR

Holder reports and remittance of payment and securities are due by **November 1** following the close of each fiscal year July 1 through June 30. The report details the items that became unclaimed during the fiscal period. Penalties may be assessed for holder reports and payments that are late or for failure to file or pay.

Safe deposit box contents are to be delivered to DOR by December 1. Note: The property (i.e., contents of the box) is required to be included in the report due by November 1.

Note: When the regular due date falls on a weekend or legal holiday, the due date is extended to the business day immediately following the weekend or legal holiday.

D. Extension of Time to File

Holders may request up to a 60-day extension to file their annual report and remit unclaimed property by submitting [Form UCP-135, Holder Request for 60 Day Extension of Due Date for Holder Report](#) to the department prior to the November 1 due date. See Note in Part 2.C. above if November 1 falls on a weekend or legal holiday.

E. Holder Appeal Rights

- (1) Holder reimbursements that are denied may be appealed by filing a petition for judicial review in circuit court. Appeals must served and filed no later than 90 days after the decision or no later than 180 days after the filing of the claim if DOR has failed to act on it.
- (2) Holder assessments may be appealed, including estimated amounts due and late filing fees. The appeal provisions for taxpayers and DOR also apply to holders. The Notice of Amount Due sent to the holder will contain instructions on how to appeal the assessment.

3. UNCLAIMED PROPERTY REPORTING PROCESS

A. Step 1: Identify Abandoned Properties

Holders must perform an annual review of finances to determine if they hold properties that are considered abandoned. Property is considered abandoned if there has been no activity on the property within its dormancy period. A complete list of property types, property codes, and dormancy periods can be found in [Appendix 1](#).

Using [Appendix 1](#) as a reference, identify the properties that have reached their dormancy period so you can provide the required notice to the apparent owner (see Step 2 below). Here is a sample of properties with their dormancy period and reporting due dates.

SAMPLE PROPERTY TYPES – IMPORTANT DATES AND DEADLINES				
Property Type	Dormancy Period	Date of Check or Last Contact	Completes Dormancy Period	Report and Remit Due
Unclaimed Wages	1 Year	7/1/19 - 6/30/20	7/1/20 - 6/30/21	11/1/21
Matured Policy Benefits	3 Years	7/1/15 - 6/30/16	7/1/20 - 6/30/21	11/1/21
Dormant Account	5 Years	7/1/15 - 6/30/16	7/1/20 - 6/30/21	11/1/21
Uncashed Traveler's Check	15 Years	7/1/05 - 6/30/06	7/1/20 - 6/30/21	11/1/21

B. Step 2: Attempt to Locate the Owners

You must make a good faith effort to locate the owners of the properties identified in Step 1 (known as due diligence). A notification letter must be sent to owners of properties valued at \$50 or more unless the owner's last known address is recorded as invalid. Letters must be sent between July 1 and September 1. You are required to keep a copy of the letter for 10 years and provide the letter upon request by the department. The letter must do the following:

- Contain a heading that reads substantially like: "Notice. The State of Wisconsin requires us to notify you that your property may be transferred to the custody of the state's unclaimed property administrator if you do not contact us before [the date that is 30 days after the date of the notice]"
- Identify the nature and value of the property, unless the property does not have a fixed value
- State that the property will be turned over to the administrator
- State that after the property is turned over to the administrator an apparent owner that seeks return of the property shall file a claim with the administrator
- State that the property may be sold by the administrator
- Provide instructions that the apparent owner shall follow to prevent the holder from reporting and paying or delivering the property to the administrator

A sample owner notification letter is shown in [Appendix 3](#). **Do not include the department's contact information on due diligence letters** as we will not be able to assist until the property has been reported and paid to us.

Note: UPEXchange products and Holder Reporting System (HRS) software will automatically generate this letter and it can be customized to meet your needs.

C. Step 3: Prepare and File Your Report

(1) Reporting and filing

If the owner does not respond to the due diligence letter and owner activity does not occur, the property must be reported and remitted to the department. Additionally, if no due diligence letter was sent because the property is valued under \$50, and no owner activity has occurred, the property must also be remitted to the department. **All holder reports must be filed electronically.** The electronic filing option for your holder report is based on how you prepare your report. The following table shows the preparation and report filing options.

Note: All filing options are secured methods of transmitting data.

Preparation Method	Filing Option
UPEXchange	<ol style="list-style-type: none"> 1. Holders may file report online via UPEXchange software. No further action is needed. 2. Holders may also choose the "Manual Submission" option. If "Manual Submission" is used, holders must go to My Tax Account and attach a standard NAUPA Report file (option 1). You must convert the file into .TXT format. You will not be able to upload an HDE file.
HRS Pro	Holders must go to My Tax Account and attach a standard NAUPA Report file (option 1). You must convert the file into .TXT format. You will not be able to upload an HDE file.

My Tax Account	<p> Holders have two free options for filing their report via My Tax Account:</p> <ol style="list-style-type: none"> 1. Attach a standard NAUPA Report file. To attach the file, use the Add button on the left side of the screen. You must convert the file into .TXT format. You will not be able to upload an HDE file. 2. Manually enter and file a holder report or file a negative report.
--------------------------------	--

(2) Important reporting information

- Make sure the report contact information is correct. The address you use will be the address where correspondence will be sent. This includes important notices from the Department of Revenue.
- DOR may assess a \$150 penalty for reports filed late.
- DOR may assess a penalty of \$100 per day past the due date of a written request to file a report.
- DOR will take collection action for balances not paid within 60 days of a Notice of Amount Due and may also assess a collection fee. See Part 2.E. for information on holder appeal rights.
- **Provide complete and accurate owner information.** You are required to include the owner's full name, last known address (even if the Post Office has returned mail as undeliverable), SSN or tax identification number, and date of birth, if known or readily available. Use caution to enter confidential information, such as SSNs, tax identification numbers, date of births, and account numbers, in the correct fields in the report, as this information is used to automatically reunite the rightful owner with their property.
Note: Holder reports that do not comply with reporting requirements may be rejected.
- **Use All Other Owners (OT) as the ownership type for all property unless the owner is unknown.**
- **Only use aggregate for properties valued under \$5 and if the owner is unknown.**
- **File. Pay. Done! Save yourself some time! DO NOT send us a paper copy of your report or a copy of your report on CD/other electronic storage media. We also do not require a notarized affidavit after your electronic filing. All this information is destroyed without being reviewed.**
- **Please do not** submit negative reports if there is no physical presence in the State of Wisconsin.
- Refer to Appendix [1](#) and [2](#) for the correct codes and relationship types to use when filing your report.
- **Important:** Reports filed using [My Tax Account](#) will have the option to print and save a PDF copy of the report. If you wish to print a copy of the report at a later date, you will need to go to <https://tap.revenue.wi.gov/mta/>, under the unclaimed property tab select "resume saved holder report", enter your email address and your confirmation code, then under "I want to" click "print submission".
- Save the confirmation page after you file your report. You will need the confirmation number if you require assistance from us.
- Multiple entity holder reports must be uploaded here:
https://ww2.revenue.wi.gov/FileTransfer/application?PASS_types=32

Note: It is very important to report complete and accurate information. The department may advertise properties within three days after a report has been filed, and the department's matching program may automatically pay the rightful owners shortly after the report is filed. If you notice an error in the report:

- Within three days of filing, contact the department at (608) 264-4594 or by email at DORWIHolderReports@wisconsin.gov to discuss your options if the report contains:
 - Properties that should not have been reported,

- Errors regarding the owner information (name, address, date of birth, ID number, etc.) for any of the properties, or
- Errors regarding the dollar amount or security shares reported
- If property was not included that should have been reported, file a new holder report with **new properties only**. Do not submit a report with properties that were already reported.
- Contact the department for assistance with other errors not listed for guidance at (608) 264-4594 or by email at DORWIHolderReports@wisconsin.gov.

(3) Securities reporting

The following types of abandoned securities must be reported (this list is not all inclusive):

- Common Stock
- Bonds/Debentures
- Stock Warrants
- Partnership Units
- Preferred Stock
- Dividend Reinvestment Plans (DRPs)
- Mutual Funds
- Any other security-type property that has been abandoned

Do not report nontransferable, worthless, restricted or expired securities. If the shares become transferable, file a holder report and transfer the shares at that time.

In order to provide general guidance on how to determine if a security should be reported or remitted, please exclude any delisted securities as well as securities that do not clear two cents based on current bid/ask and close information available on Bloomberg or trade on the bottom tier of the OTC and have no bid/ask activity.

Do not report fractional shares of common stock. The fractional shares must be liquidated prior to reporting and reported as cash-in-lieu of fractional shares.

See [Part 4.D.\(2\)](#) for instructions on submitting securities.

(4) Reciprocal reporting

Properties with a last known address in California must be reported directly to California.

As a courtesy to Wisconsin businesses, the department has a policy of forwarding unclaimed property reported to the department for citizens of other states. Wisconsin has formal reciprocal agreements with 20 states, identified in **BOLD** in the Reciprocal Reporting table in [Appendix 4](#). This agreement allows businesses incorporated in Wisconsin to file a single report to Wisconsin for properties due to these 20 states.

If you are a business incorporated in Wisconsin, you can report to Wisconsin **incidental amounts (less than ten items)** of unclaimed property owned by those with addresses in the states without a formal reciprocal agreement. The department will forward the names and property of out-of-state owners to the appropriate states. Make sure to abide by each state's dormancy periods and property codes when preparing your reports. Contact the other states at the numbers in the table in [Appendix 4](#) for additional information. Do not report any properties for California.

D. Step 4: Submit Payment, Securities, and Safe Deposit Box Contents

Once you have filed your report, you are ready to complete the process by submitting payment, securities, and safe deposit box contents. Follow the submission instructions below for the different types of property. Payments and delivery of property are due by November 1. DOR may assess a late payment penalty equal to 15% of the value of the property. Additional penalties of \$100 per day may be assessed if you fail to pay or deliver property by the due date of a written request. See Part 2.E. for additional information on holder appeal rights.

Important submission information:

- **If you entered payment information with the holder report submitted online via My Tax Account, your payment will be submitted. If you initiate another ACH Debit payment, both payments will be processed in our system resulting in an overpayment on your account.**
- The department will withdraw the funds on the date requested in your ACH Debit payment request. This might take a few days to show up in your account.
- If you are making a single payment for multiple reports, email a breakdown of the payment to DORWIHolderreports@wisconsin.gov. Include the amount, name of the business and last four of the tax ID number for each report included in the payment.
- You must be registered with DOR as a holder of unclaimed property before you may make an ACH Debit payment. If you have not previously filed a holder report with the department, you will need to wait 3 business days after filing your first report before initiating your ACH Debit payment for your report.
- Transfer securities at the same time you file the holder report. Follow the instructions in (2) below closely to ensure proper delivery.

(1) Submitting payment

Use one of the following options for submitting payment for unclaimed property to the department:
