CRRSA ACT / ELEMENTARY AND SECONDARY SCHOOL EMERGENCY EDUCATION RELIEF FUND II (ESSER II)

## Elementary and Secondary School Emergency Education Relief Fund II (ESSER II)

The total ESSER II allocation for the State of Wisconsin is \$686,056,238. 90 percent (\$617,450,615) will be distributed to LEAs using the 2020-21 Elementary and Secondary Education Act, Title I, Part A formula calculation as required under CRRSA. LEA allocations are based on the number and percentage of children from low-income families. Although ESSER II award amounts are calculated based on Title I, Part A allocations, they are not Title I, Part A funds. Title I requirements do not apply to ESSER II.

The remaining 10 percent of the state's ESSER II allocation (\$68.6 million) will be directed to LEAs in two ways, based on Wisconsin's Joint Committee on Finance Motion #16 [16](#)

1. Funds will be used to ensure every LEA receives a minimum of \$100,000 ESSER II allocation. In other words, each LEA in Wisconsin will receive funding based on the Title I formula or \$100,000, whichever is greater.
2. Any LEA that does not reach a \$395 per pupil allocation with either the \$100,000 minimum allocation or the Title I formula will be eligible for additional funds. There are 175 LEAs eligible for this additional funding. The amount of funding for each of these LEAs will be based on the total number of in-person instructional hours provided during the entirety of the 2020-21 school year. As a result, instructional designs and closures at any time during the school year may impact the calculation. DPI will need to collect information on hours of instruction from eligible LEAs at the conclusion of the school year. DPI will be unable to calculate amounts for eligible LEAs until the data collection is complete, which may take until fall.

• ESSER II allocations as of 1-6-2022 [X](#) includes additional funds for in-person instruction to eligible LEAs and recalculation of formula amounts based on changes to independent charter school economically disadvantaged student counts.
