

# Planning for Physical Distancing

Dale Bergman- Merrill  
Greg Maroo- Oconomowoc  
Jeremiah Johnson- Muskego-Norway

# Defining Physical Distancing

---

- **Physical Distancing (> 6 feet)**
  - Limit students in classroom (10-12) v Classroom cohort model
  - Minimize hallway passing , Enter/Exit strategies
  - Limit visitors
- **Limit Duration of Exposure (15 minutes)**
- **Consider Cohorts**

# Assessing spaces

- Schedule meetings with leveled admin teams

Teacher/Grade	Classroom #	Currently HAS	# can accommodate Normally/per	# can accommodate Social Distancing	Plexy Glass Measurements
		long whiteboard rectangle (58 inches9	4	2	Plexy Glass Needed as a Divider
		<b>TOTAL MAX Accommodate</b>	<b>20</b>	<b>14</b>	
		Over/Under Seats Needed		<b>-8</b>	<b>TOTAL Plexy Glass Dividers Needed: 7</b>

		Over/Under Seats Needed		<b>-8</b>	<b>TOTAL Plexy Glass Dividers Needed: 6</b>

# Funding

---

- Will Cares act help with some of the funds needed to purchase PPE/Equipment?
- Use of Fund Balance?
- Re-Allocate Capital funds?
- FEMA Reimbursement?

# Soap and Hand Sanitizer?

- Consider having hand sanitizer stations at all entryways
- Consider each room
- 60% Alcohol
- Protect floor
- SDS/Signage

# Cleaning Procedures

---

- Define capabilities:
  - How long will it take to sanitize surfaces?
  - What are critical areas to be done daily?
  - Will teaching staff or paraprofessionals help?

# Application Methods

---

# Sneeze Guards

---

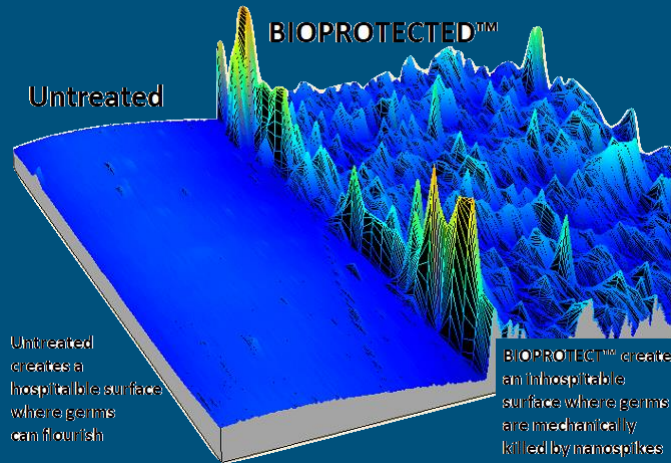

- Order Direct?
- Custom Cut?
- Use Cardboard?
- Acrylic?
- Polycarbonate?

# Surface Protectants

## BioProtect 500

# PPE

---

- N95 Respirators?
- Laundering Service?
- State of Wisconsin Provided PPE Delivery

Child Size Face Mask

# Floor Spots/Signage

- Parent Pick Up
- Lines
- Reception
- Fountains

# Isolation Rooms

---

- Each school needs one
- In the proximity of the health room

# Monitoring Temperature?

---

- Students take temps at home?
- Screened at school?
- Sent to office for second opinion(HIPPA/FERPA/ADA)
- Mass scanning technology (\$10k each)

# Transportation

---

- Encourage Carpool?
- Multiple Drop off?
- Stagger entrances?
- Stagger Parent Pick up and Bus Pick up?
- Keep windows down?
- Consider masking on bus?

# Lunch/Music/Band/Phy Ed/Locker Access?

---

- Consider Large Volume Spaces to split?
- Use Outdoor Spaces
- Re-purpose Library
- Use Corridors for Lunch
- Use Gym or MPR for Lunch?

# Telling Your Story

# STAY SAFE to STAY OPEN

**PLAN FOR FALL 2020 RE-ENTRY:** In Person with Practical Mitigating Measures or Opt in for Virtual
